The "Career Day" in Patras aims to strengthen employment and the labour force at a local level, offers the opportunity for free networking between businesses and candidates and explores possible new partnerships and collaborations.

Participants will have the opportunity to:

- Communicate directly, without a prior appointment, with businesses representatives looking for staff/ to recruit,
- Carry out on-site online interviews with businesses,
- Receive information from expert DYPA counsellors and executives of the Service Unit for Medium-sized and Large Enterprises (MEMME) on DYPA's actions and services.

At the same time business representatives will have the opportunity to collect several CVs to cover their vacancies for which they are seeking suitable labour force.

For more information on the tailor-made labour force services offered by MEMME visit the website: [www.dypa.gov.gr/memme](http://www.dypa.gov.gr/memme)
