Press Release

The 3rd DYPA “Work in Greece” Online European Career Day for the Construction Industry will be held on December 16th, 2024

The 3rd DYPA “Work in Greece” Online European Career Day for the Construction Industry is going to be held on Monday, December 16th 2024, 11:00-14:00, by DYPA’s EURES National Coordination Office (European Employment Services).

Construction businesses wishing to participate in the event may create their profile and post their vacancies at the following link:

<https://europeanjobdays.eu/en/who-are-you>

Interested jobseekers will have the opportunity to register or log in for free in the platform even during the event, so that they can upload their CV, find employment opportunities and directly communicate with employers.

During the online event, participants are offered the chance to:

- view the profiles of businesses seeking staff and their available vacancies;
- participate in online interviews with businesses;
- talk with the registered employers and DYPA’s EURES counsellors using the Live Chat online tool.

The event is supported by the European platform “European Online Job Days”, which is available at: <https://europeanjobdays.eu/en>
